Our Year 6 students travelled to Canberra last week to undertake an educational tour of the national capital. Students were given the opportunity to participate in a variety of programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

There were many big and little hands getting dirty around the school on Saturday at the Working Bee.

A huge thank you to all those who turned up to help!

Next Working Bee is 4 June (Term 2). Put it in the diary now. It’ll be great to see you there!

Regards,
Luke Palmer
