**Enrolments 2017**

If you have not collected and completed an enrolment package from the school office for a sibling starting school next year we ask that you do so ASAP. Mr Bauer will be conducting enrolment interviews for 2017 at the end of May.

**From the Principal**

Occasionally students ask to bring animals in to school. There are strict guidelines around having animals in classrooms, as pets or for educational purposes. Licences need to be applied for by the school.

We ask that no animal is brought into the school grounds without first contacting the Principal or Assistant Principal.
