

ST AGATHA'S PENNANT HILLS LANGUAGE SURVEY

At St Agatha's we are proud of our multi-cultural community. It is the rich cultural diversity that adds a wonderful dimension to the growth and outlook of our children. In our school community, we are building a profile of the different languages our parents and children speak and their fluency in these languages. This will help us meet the needs of children who have English as their second language and help us celebrate our multiculturalism.
